## **Application Procedure**

Attending one of the United States Service Academies is a distinct honor and an invaluable experience which can serve to lead a student down a path of success in life and to being a good citizen. Attending the Naval Academy at Annapolis, Air Force Academy, Military Academy at West Point, or Merchant Marine Academy usually requires a nomination from either a United States Representative or Senator. No nomination is required to attend the U.S. Coast Guard Academy.

### **Outline of Nomination and Appointment Processes**

1. Applicants initiate the process by writing letters of request for nominations to Congressman Boyd's Tallahassee Office at 1650 Summit Lake Drive, Suite 103, Tallahassee, FL 32317

The following information must be included:

- Choice of Academy
- Name (as recorded on birth certificate)
- Social Security Number
- Permanent address (street, city, county, state, zip code)
- Phone number and area code
- Father's Full Name
- Mother's Full Name
- Date and place of birth
- Name and address of high school
- Date of graduation
- Extracurricular activities

Applicants should also explain in one 250-word essay (one page, double-spaced)

- Why they want to attend an Academy.
- Why they believe they will be successful at the Academy.
- Why the Congressman should nominate them.

2. Applicants must also initiate contact with the Service Academy or academies of their choices and proceed with the pre-candidate application processes as dictated by that Academy. Addresses for the academies are contained in this package.

3. The Congressional Office will open files and send application packets to students upon request. **APPLICATION DEADLINE: To be considered, applications must be received by October 21, 2005.** Completed files must include the following:

- Completed Application for Nomination form and photograph.
- Official high school transcript.
- Minimum of three recommendations: one from a school official (principal or guidance counselor); one from an instructor (math or science suggested); and one of the applicant's choice of an employer, a community leader or a club sponsor.
- SAT and or ACT score reports, if available. The academy admissions officers suggest that applicants take both types of tests.
- Any additional materials students feel will support their applications.

4. The Academy Nomination Board will interview candidates in November. Applicants will be notified of interview time and place. Waivers will be granted only to those who have a military obligation or whose parents are stationed overseas on assignments.

5. Selected nominees will be notified by the end of the year, and then Congressman Boyd will submit his nominations to the Academies.

6. Academy Admissions Officers review nominees' applications and select appointments. Most appointments will have been made by early May.

It is the applicant's responsibility to ensure that all materials are submitted on time. Those with incomplete files will be disqualified.

Students who attend one of the academies must serve six years of active duty following their graduation from the Academy.

## **TEST SCORE MINIMUMS FOR ENTERING STUDENTS**

The Admissions Officers at the academies encourage students to begin taking tests in the junior year and take both the ACT and the SAT tests. Many students continue to take the tests until they have the scores that they desire. Each Academy Admissions Office has different standard ranges that it looks for each of these tests. If your test scores fall below the minimums, you may want to inquire about one of the academy preparatory schools. Remember 20 to 30 percent of each academy class does not enter an academy directly after graduating from high school. To have scores forwarded to our office directly from the testing center, please use the following codes: **S.A.T.-5476, A.C.T.-7322**. Many transcripts will include copies of your SAT or ACT scores. If so, this is sufficient and you need not send in separate score results, unless you have updated scores. Scores will be accepted after November 1, 2005 deadline, provided prior arrangements have been made with this office.
